

# SUPER SENIORS

Super Senior campers are those entering 7th & 8th grade. A dynamic, elective-based, in-camp program combined with weekly out of camp trips makes this program exciting and unique. Program highlights include:

## IN-CAMP ACTIVITIES

Campers participate in age-appropriate activities that include: Athletics, Team-Building, Creative & Performing Arts, Adventure, Swimming and Community Service.

## INTENSIVES

A week-long elective program open only to Super Seniors. Campers spend an hour each day participating in specialized activities, including: Magic, Shark Tank, Architecture & Design, Cooking, Fashion, Triathlon and more.

## TRIPS

Campers will participate in at least one out-of-camp trip each week: Indoor Rock Climbing, Rye Playland, Rockland Lake, Kayaking, NYC, Give Back Days and an Amazing Race. Campers will also participate in a one-night overnight trip during Week 8.

## SUPER SENIOR GAMES

Once per week, campers will participate in special competitive activities that are not typically offered on their traditional schedule. These fun games highlight teamwork, sportsmanship and fun.
