WELCOME LETTER

Dear Woodmont Family,

We are excited to be sharing the summer of 2025 with you! Our preparations have been underway with everything from staffing to programming and lots of fun in between. Our Village Leaders, Activity Instructors, and Group Counselors join us in welcoming you to Woodmont. We are all looking forward to greeting our campers this summer and making our camp family complete.

Our core values of **Kindness**, **Confidence** and **Respect** are integral parts to both our philosophy and program. Campers and staff promote these values daily with team building activities, catching campers “doing something good” and discussions about what it means to be kind, confident and respectful. While camp is an opportunity to develop skills in swimming, sports and arts, it is also an opportunity for campers and staff to learn about themselves and ways to become better people. At Woodmont, we make this happen every day.

To assist you in preparing for your opening day of camp, we have put together this Family Handbook. It contains our procedures and policies that have been designed to ensure a successful, safe and fun summer for all.

If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Ilisha & Sam Borek

BUS TRANSPORTATION

We believe camp begins as soon as your camper steps onto the bus in the morning and ends when they get off the bus at the end of the day. Our buses are air-conditioned and driven by licensed CDL (Commercial Driver's License) drivers with a Woodmont bus counselor on board.

Prior to the first day of camp, your bus counselor, a Woodmont staff member, will call to introduce themselves. If requested, bus counselors can schedule a time to meet you and your camper in person.

Your camper's detailed bus transportation information will be emailed on June 19th, 2025.

Campers are expected to obey all instructions from bus counselors and drivers. Our bus rules will be posted on each bus.

All requests for bus changes must be in writing through email. There will be no bus changes permitted during the first and last week of camp.

Campers not going home on their regularly scheduled bus must be picked up before 3:00pm or after 4:30pm.

At Woodmont, we take the health of our campers and staff very seriously. Our Health & Wellness Center staff includes two full-time Nurses. In addition, we have a Dietary Specialist to help care for your camper. We ask that you partner with us in keeping every camper healthy. Please do not send your camper to camp if they are not well enough to participate in camp activities. **All campers must be fever free without taking medicine for 24 hours before they can return to camp.**

We will contact you if:

- Your camper becomes ill with a fever and/or vomiting.
- Your camper has a significant bump, bruise or cut.
- Your camper has any head related injury.
- Your camper visits the health center multiple times in one day.

If we can't reach you, we will call the emergency contact.

HEALTH & WELLNESS CENTER

All minor injuries such as bumps, bruises, cuts and scrapes that may occur during the camp day or any person needing medication will be treated at the Health & Wellness Center.

DIETARY SPECIALIST

Our Dietary Specialist works closely with our Nurses, Dining Hall Supervisor, and the Village Leaders to oversee and assist campers who have food allergies or dietary restrictions. After the Nurses review the medical forms, our Dietary Specialist will contact you to discuss any specific needs.

CAMP FORMS

The Rockland County Department of Health and American Camp Association require that all campers submit their medical forms prior to the beginning of camp. These forms can be found in your account online. You can access your medical forms online through your **MyCampMinder** account or with **Campanion** our NEW Mobile App. We **MUST** have all medical forms on file before the first day of camp in order for campers to attend camp.

The Camper Profile Form is also available to you online through your account on **MyCampMinder** or **Campanion**. Please complete this form to help us learn more about your camper.

HEALTH & SAFETY

PRESCRIPTION MEDICATIONS

Under New York State law, campers/staff members may not bring to or carry medications of any kind in camp. This includes over the counter medications such as Tylenol, Aspirin, Motrin, Cough medicine or drops, antacids, and others.

In general, medications should be administered at home unless the medication is necessary for the camper to accomplish their daily activities. If the physician directs that a medication must be given during the camp day, it is necessary that we have a written order from the camper's physician stating this and a written statement from a parent/guardian requesting the medication be administered. Each camper will be required to have their physician sign a **PHYSICIAN EXAM** form. The following information must be included on the form:

Name of Camper and Date of Birth

Medication with dosage, time to be administered, and route of administration

Any special considerations in the delivery of the medication

****All medication orders must be renewed each summer****

Medication must be sent in the original prescription container from the pharmacy. If your camper takes this medicine at home and at camp, ask your pharmacist for two labeled bottles. Non-prescription medications must be in the original container. Even over-the-counter medications that are prescribed by the physician will need an order for administration at camp.

NON-PRESCRIPTION MEDICATIONS

Woodmont's Health & Wellness Center keeps many frequently used over the counter medications available. These cannot be administered to a camper without a **NON PRESCRIPTION DRUG AUTHORIZATION** signed by the parent/guardian and the physician. The Nurses will notify you of any medications being administered to your camper by the end of the camp day. Telephone consent for medication administration will not be permitted.

PROGRAM

At the heart of Woodmont is our variety of amazing activities led by a talented group of Activity Instructors. This is where the fun, engagement, friendships, learning, and camp memories begin. This is the most important part of the camp experience and our team has been working hard to create the most fun and engaging program possible.

SUMMER CALENDAR

Please check out our summer calendar online: <http://woodmontdaycamp.com/current-families/calendar/>

LUNCH MENU

Please check out our lunch menu online: <http://woodmontdaycamp.com/current-families/menu/>

TRIPS OUT OF CAMP

All campers 3rd grade and above take trips out of camp. Please refer to the camp calendar for all scheduled out of camp trips. Woodmont t-shirts must be worn on all trips out of camp. You will receive an email reminder the day before each trip with specific details.

SWIMMING

Swim is an integral part of our daily program. The Woodmont swim program follows the guidelines of the American Red Cross Instructional Swim Program Levels 1 – 6. All campers swim twice per day while Mini Day campers swim once. Throughout the summer, we will be sharing your camper's swim progress with you.

DEEP WATER TEST

In order to swim in water above the chest line (deep water), a camper must pass our Deep Water Test. In order to pass the test, the camper must independently jump in deep water, rotate 360 degrees with head above water, tread water for 60 consecutive seconds with chin above water, effectively swim 2 lengths of the pool and exit the pool from the deep end. After passing the Deep Water Test, campers will receive a pink swim bracelet. A swimmer without a pink deep water bracelet cannot swim in areas of the pool where the water level is higher than their chest line during free swim.

KINDER VILLAGE ADVANCED SWIMMER TEST

Campers in Kinder Village who want to swim in our 3-foot pool during free swim must pass the Kinder Village Advanced Swimmer Test. In order to pass the test, the camper must independently slide into the 3-foot deep pool, swim 2 widths of the pool and exit the pool. After passing the Kinder Village Advanced Swimmer Test, campers will receive a green swim bracelet. A Kinder Village Swimmer without a green swim bracelet cannot swim in our 3-foot pool during free swim.

An informational sheet describing our swim program and deep water test is available online <https://woodmontdaycamp.com/camper-experience/swim/>

PROGRAM

RAINY DAYS

Camp is in session rain or shine. It is helpful to send your camper to camp prepared for both rainy day and regular day activities. We will maintain a regular schedule, including swimming, for as much of the day as possible.

In the event of inclement weather during the day, we have sufficient indoor space to keep campers and staff safe and dry while still participating in fun activities.

CAMP PICTURES

Our Woodmont staff photographers will take and post pictures each day. They can be viewed by logging into your [MyCampMinder](#) account online or using [Campanion](#), our mobile app.

On Friday, July 25th, a professional photographer will be taking individual and group photos. We ask that campers wear their Woodmont t-shirts on this day. Shortly after picture day, you will receive an email from the photographer with a password to view and purchase these photographs or photo gifts.

ELECTIVE PERIODS

The Elective Program, also known as Choice, provides campers with an opportunity to select an activity of their choice to be included in their daily program. Choice selection helps to foster independence and empower campers in their decision-making skills.

Choice options are ranked by campers in camp before the upcoming week. During week 1, electives begin on the second day of camp in order for campers to make their choices on Monday. If a camper is not in camp, an email will be sent home to make their selection.

POLICIES & PROCEDURES

BIRTHDAYS

Birthdays during camp are celebrated during Morning or Village Rally. The birthday camper receives a “birthday sticker” to mark their special day and a birthday treat to share with their group during lunch. We believe this is the most appropriate way to celebrate a camp birthday. Please do not send anything additional to camp, including treats or group gifts.

LOST & FOUND

Woodmont cannot be held responsible for lost personal items. Our Group Counselors work hard to ensure that all belongings are properly cared for. If you find something is missing, please notify the office as soon as possible, giving any details that will be of help to locate the missing item. Placing labels or writing your camper’s name on EVERY article of clothing will make it easier for us to return lost items.

PRO TIP: Discuss care of personal belongings with your camper before camp. Younger campers, especially, need to be familiarized with their belongings. Campers at Woodmont are encouraged to be independent and care for their personal items as best possible.

SUNSCREEN

We ask that you send in a bottle of sunscreen (LABELED WITH YOUR CAMPER’S NAME) to be left at camp. Counselors will apply and re-apply during the day.

ELECTRONICS & TECHNOLOGY

Woodmont is an electronic-free environment. Please keep electronic devices, cell phones, smart watches, tracking devices and other internet accessible devices at home. These items are not permitted in camp and will be held in the office if found during the day.

EXPECTATIONS OF CAMPERS

Campers should expect a fun and safe environment while at camp. We know that there may be times when campers may not get along or agree with one another. However, we expect that these disagreements will be handled in a kind and respectful way. We want everyone at camp to feel that they are in a safe environment where they are valued, heard and appreciated.

BULLYING POLICY

Bullying is when one or more people exclude, tease, taunt, gossip, hit or put down another person with the intent to hurt. At Woodmont, we have a firm policy against all types of bullying. Every camper at Woodmont is accepted and we work together to ensure that campers gain self-confidence, make new friends and return home with great memories. Our leadership addresses any incident of bullying and trains staff to promote communication so that information is openly provided.

CORE VALUES

The Woodmont experience provides a dynamic program in an environment which fosters growth and independence for every child. The relationships that children form with each other and with our staff provide the foundation for the Woodmont experience. It is through these relationships that our campers can learn about themselves and others.

MISSION STATEMENT

Woodmont's mission is to make a difference in the life of each camper through impactful relationships and experiences. Our ultimate goal is to provide an enjoyable, exciting summer experience that motivates our campers to approach the future with courage, confidence and a feeling of self-worth.

CORE VALUES

Our core values of **Kindness**, **Confidence** and **Respect** are integral parts of both our philosophy and program. Campers and staff promote these values daily with team building activities, bracelets, catching campers "doing something good" and discussions about what it means to be kind, confident and respectful. While camp is an opportunity to develop skills in swimming, sports and the arts, it's also an opportunity to learn about ways to become a better person.

STATEMENT OF INCLUSION

Woodmont is committed to creating an environment that welcomes and embraces individual differences, and unique experiences/viewpoints; we promote fair and equitable treatment of everyone, and value all perspectives. We support all individuals and embrace their differences including racial and ethnic origin, gender identity/expression, sex, sexual orientation, socioeconomic status, political and religious beliefs. This is modeled and inherent in our core values: Kindness, Confidence and Respect (KCR).

We expect: respectful communication and cooperation; teamwork; proactive inclusion of staff and campers; and for all of us at Woodmont to always embrace and pay attention to the principles of diversity, equity, and inclusion.

PROJECT MORRY

We are proud to partner with Project Morry through our annual Swim-A-Thon. Project Morry is a comprehensive, year-round youth development organization dedicated to empowering children from under-resourced communities to create a positive future.

Each summer, our campers participate in our annual Project Morry Swim-a-Thon to help raise funds in support of children (who may not have otherwise) receiving a camp experience. A certificate will be emailed home stating how many laps your camper swam. If you choose, you may sponsor your camper's laps and make a charitable contribution. All donations are made payable to PROJECT MORRY and are tax-deductible to the extent permitted by law. For more information on Project Morry or to make a donation online, check out their website at www.projectmorry.org

CAMP OFFICE & AFFILIATIONS

We are always interested in speaking with you about your camper. The camp office is open Monday - Friday from 9:00am - 5:00pm (all year) and Monday - Friday from 7:00am - 6:00pm (during camp). We work with both local and national organizations to ensure that camp is safe and fun for all of our campers and staff.

STAFF

Woodmont spends months carefully screening, interviewing and hiring only the most qualified staff. Our ultimate goal is to provide an enjoyable, exciting summer experience that motivates our campers to approach the future with courage, confidence and a feeling of self-worth.

Our staff creates a warm, family feeling at Woodmont in a number of ways. We encourage continuous skill development throughout the summer; stress personal development no matter what the inherent ability of a camper may be; and lastly, work to create an atmosphere of attention and care for the individual.

We have a great percentage of returning staff each summer who are just as excited for the first day of camp as our campers.
